

Dear Sberbank Depositors,

Please note that **from 11 March 2022, with the involvement of Takarékbank Zrt.'s branch network**, the compensation procedure for the depositors of Sberbank Magyarország Zrt. "v.a." was launched for the below depositors.

- **individuals with a compensation amount of over HUF 2,500 000 ,**
- **companies with a compensation amount above 20 000 HUF .**

The National Deposit Insurance Fund (OBA) acts in view of **the interests of the clients so that depositors can get their money as soon as possible**; they may receive their money sooner and the compensation statement will only be sent to them later by post.

Presentation of the Payment Settlement to be sent by OBA is NOT a condition for compensation and compensation can be settled without it in the designated Savings Bank branches. We wish to provide assistance with this notice for customers who have not yet received the above accounting, .

In order to ensure a smooth service at the branches, we recommend that you arrive at the branches of Takarékbank for compensation administration according to the following schedule. The position is defined by the first letter of the surname without the title for individuals registered in Sberbank and by the initial letter of the company name for companies.

from F to K on Wednesday 16th March, 2022
